

# 2023 IEEE INTERNATIONAL WORKSHOP ON Metrology for the Sea

04-06 OCTOBER 2023 Valletta, Malta

 **University of Malta**  
Valletta Campus

## CALL for SPECIAL SESSIONS

### ORGANIZERS

#### GENERAL CHAIRS

Sebastiano D'Amico  
*University of Malta, Italy*  
Pasquale Daponte  
*University of Sannio, Italy*  
Adam Gauci  
*University of Malta, Italy*

#### SPECIAL SESSIONS CHAIR

Maurizio Migliaccio  
*Parthenope University of Naples, Italy*

The **IEEE MetroSea 2023** Program Committee is soliciting proposals for special sessions within the technical scopes of the Workshop. Special sessions have the main aim of creating a discussion group focused on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation.

All papers will be subject to the same peer review process as for regular papers and will be submitted for publication in *IEEEXplore Digital Library*.

### PROPOSAL SUBMISSION

Proposals should include the session title, a brief description of the scope and motivation, related topics, biographic and contact information of the organizers.

Papers submitted for special sessions are to be peer reviewed with the same criteria used for the regular sessions.

Accepted papers will be published in the proceedings of the Workshop.

Researchers interested in organizing special sessions are invited to submit a proposal through the form available at the following URL

<https://www.metrosea.org/special-session-proposal>

### VENUE - MALTA

Malta is currently home to three UNESCO world heritage sites. The old town center of Valletta is one of these sites.

The Maltese republic consists of multiple islands. Malta is the longest one of these islands, with a length of 27 kilometers. The island state is made up of the three inhabited islands of Malta, Gozo and Comino. Comino and Gozo are beautiful islands and worth visiting. You can find the famous Blue Lagoon on Comino. You can find the spot where the "Azure Window" used to stand on Gozo.
